DAYS FOR GIRLS

Days for Girls is an important initiative supported by Farmers Helping Farmers at twinned schools in Kenya. Girls receive feminine hygiene kits so that they don't need to miss any days at school.

We are excited to be trying a new form of communication!

Stay tuned for videos from our twinned schools in Canada and Kenya!

2019 HOLIDAY CAMPAIGN

During our Holiday Campaign, we sell malaria nets for kids. These nets protect kids from deadly mosquito bites. For a \$10 donation, you can purchase a net for a kid just like you!

Soccer balls are another option in our Holiday Campaign. Farmers Helping Farmers purchases the balls from a company in Nairobi, Kenya and some of the balls even feature the faces of animals in Kenya!
